EXTREME Razzle VOL. 79

Where do we start with the latest issue of Razzle Extreme? Well how about we fly straight in with Amber Jayne and her laser gun! She thought she was on the set of Netflix's new series of Lost In Space, but when we reminded her that she was shooting for Razzle she came to her senses and stuck the gun where the sun don't shine! Cover girl Chloe Toy shows off a different type of 'gun' in her home gym and flashes her pert little tits and cleanly shaven snatch too. And then we've got Amelia Brookes, Zara Du Rose and Ella Hughes showing off her ball skills. All-in-all it's another bumper action packed issue of Razzle Extreme!

"When I was a Girl Guide I used to love orienteering, but I was never really very good at using a compass and reading a map," Satine says with a grin on her face. "Now-a-days you don't need silly little things like compasses as we've got SatNav and when I'm with a bloke he certainly doesn't need any directions on where to put his cock! I'll take it in the pussy, then up the arse and then I'll lick the cum dripping out of the tip of his dick with my mouth!"

DOMINATION THEORY

"Finally I was rewarded with a thick, creamy load of jizz in my gagging cunt"

What started as a bit of fun with spanking and tying up has started to dominate (no pun intended) every aspect of mine and my boyfriend's sex life.

Most recently, we've begun to experiment with Matt tying me up and gagging me before he fucks me. I love it.

The first time, Matt just tied my hands to the bedstead, but now I'm being tied face down and spread-eagled on the bed, and I'm gagged and blindfolded too!

The scenario will start with Matt deciding that I need some discipline. At first he'll just give me a gentle spank. I very rarely learn my lesson from that though, so I have to be blindfolded and gagged.

Matt will then lead me to the bedroom.

The first time Matt left me there – face down, tied, blind, and unable to make a sound – to stew for what seemed like ages, all I could do was imagine what my final 'punishment' would be.

When someone came back into the room, I couldn't even be sure it was Matt! All I knew was that someone was in there with me. I felt something cold lightly touch my back.

It sent a thrill of excitement though me. What was it?

Minutes passed, then I felt a finger touch my inner thigh, close enough to my pussy to cause a little juicing up.

It brushed away from my cunt, but I daren't allow my disappointment to show.

I waited, then I felt the cold thing again as it was dragged over my bum cheeks. More time passed, and I felt what I think was breath on my cunt.

I could barely stop myself from shaking – but I had to,

or I knew I would have to wait longer, and I dearly wanted to be entered.

Suddenly, I felt that cold thing at the entrance to my cunt. Then it was roughly thrust in.

The relief of being filled, even with this ice-cold thing, was enormous, but again I dared not show it. I could feel the whole cold length inside me.

A hand thrust it in and out a few times, then the thing was withdrawn.

I was disappointed, as it had started to thrill me, but I didn't let it show.

A weight pressed down on me, and I realised someone was climbing onto me. I felt the flesh warmth of a cock ramming its way into my now-chilled pussy. I didn't even gasp. The cock rammed in and out, hard and fast.

I didn't move. I just lay as still as I could and allowed my body to be used!

I came, and although I couldn't help but move a little, it wasn't noticed.

Finally I was rewarded with a thick, creamy load of jizz in my gagging cunt.

Since then, I have taken to fantasising that Matt has brought a stranger in to fuck me, or one of his friends.

Now I even do things wrong to ensure punishment!

I don't know that we'll ever play that out for real, but the thought that I might never know turns me on so much!

We love nothing more than the view of a Razzle girl bent over revealing a nice tight arse hole and a bald pussy, and to our delight Amelia went one step further during her shoot by sticking her spit lubed finger into her bum and having a little play! "I don't understand these girls that refuse to try anal," Amelia told us as she stuck a second finger knuckle deep into her bum. "I like to start having sex with a dick in my pussy but I demand to be finished off with my back passage filled with hot cum. And just to add to the filth I always suck the cock clean!"

Lucky Fucker
Kings of Swing

We wondered could she live up to it for real, but she went beyond it.

As we had a couple of getting-to-know you drinks at ours, I stuck a home-shot DVD in the machine, just me and Darren fucking. She obviously liked what she saw – she was soon snogging and rubbing up against him. Then she just got up and stripped off. Being naked wasn't a big deal to her and she had a really gorgeous body. Cute little boobs and a Brazilian-waxed pussy, with her clit poking out just proud of her plump lips.

Then she just plonked herself back down on Darren's lap, happy to let his hands wander wherever.

If you can put the jealousy to one side, the swapping lifestyle really swings, reckons Angela.

Shameless slut that I am, I've finally met my match in Darren.

He just can't leave a willing pussy unfucked!

While we're honest with each other, we've got an open relationship. We worked it all out in the first six months – he'd be chatting up some bird in a club and I wouldn't mind, or even notice, because I'd be getting fingered off some bloke in a dark corner!

Most recently, I've been having fun with other women, too. I'd always been bi-curious and started out looking for some fun on my own, keeping it separate from what I did with Darren. But he started getting obsessed with the idea of watching and maybe even joining in, so recently I've been going after bi-girls, who'll be up for doing him too.

We've found the internet and adult dating and contacts are the best way to do this. Again, honesty is key – we show her what she'll be getting, undraped, and expect the same back. We make it clear it's mostly a lezzie thing, but I've frigged off with toys and got a massive turn-on as I watch a girl screw Darren's boner.

Some play dates work out better than others, and one recent girl was pretty memorable! Her name was Michelle and the pictures she sent us after we made contact were hardcore. She was sucking a bloke's dick, cunt-to-cunt with another woman and wearing all this kinky gear.

"I heard a groan and felt her shimmy her arse against his crotch so he could fuck her cunt as deep as she could take him as he came."

visit www.paulraymond.xxx

She complimented me on my "performance" saying I was giving it to Darren good! OK, I'd picked a DVD that showed me at my best, but she obviously fancied girls as much as fellas.

Michelle got up just far enough she could unzip Darren's jeans, then got his cock out. She was sitting on his lap with it poking up between her legs now, so she could massage it against her labia and slit. She was getting herself just as horny as Darren, licking juices and precum off her fingers, and while I was cool with them kicking off the fun, I wanted to join in too. I grabbed Darren's dick, taking over the wanking, as she watched me fuck

her, just a bit of teasing penetration, then I asked her did she want a dick in her instead. She groaned yes and so I put it in her.

Michelle was small and light enough Darren could bounce her on his lap. It looked a little bit freaky – she was sat with her legs spread outside his and his balls hanging down underneath her. So I cupped them and rubbed them up against her crotch, stimulating where her skin was shaved. Then I sucked them into my mouth, enjoying the taste of her juices once again.

myself with a toy on screen. Then I pulled it out and Darren buried his cock in me instead.

I couldn't stop myself – I bowed my head and took the real thing in my mouth, sucking it so deep my nose brushed up against Michelle's clitoris. And I gave it a teasing tickle with my fingers, keeping her wet and juicy for my other half.

I teased them both, fingering Michelle's labia apart then letting Darren's prick slip out and tapping against her dripping pink. Then I went down on Michelle, rubbing Darren's helmet over my face. I heard him groan – while I might get him off, all he really wanted was to get his cock in Michelle's tight, hot pussy.

I'm good to Darren – I started rubbing them again, helmet to clit, feeling Michelle back up slightly. I slipped a finger in

One thing that we've noticed with swingers, you can always tell who watches porn – most of them! – because they'll get in positions you don't see in "real life". Now Michelle bent her knees and put her feet on Darren's thighs – classic jizz-flick so you can see the penetration. She'd rise up, riding him, sometimes so far he almost slipped out, so I had to grab his cock and slide him back in her again. I wasn't just there for their good, though – sometimes I made her wait while I took another creamy suck on him.

I thought Michelle would just fuck him, expect all the attention to be on her, but instead she asked if she could eat me from behind. She said it turned her on.

I bent forward with my arse in her face, shuffling into position so my twat peeked out between my cheeks. Then I felt her grab me, tongue lapping and probing over my cunt and then inside it.

She was horny, totally uninhibited. Now I felt her wet her fingers then poke two in my arsehole, wiggling them and opening me up.

As her mouth got busy on my clit, I started groaning, grabbing for a footstool so I wouldn't lose balance.

Michelle wasn't missing a beat, though. I could hear the skin-on-skin slap, the wet, sucking noises as she fucked my boyfriend's cock.

I think he was oblivious, so far into her, then I heard a groan and felt her shimmy her arse against his crotch, so he could fuck her cunt as deep as she could take him as he came.

She looked so sexy, all flushed and glowing above the waist, and below it just a mess of streaming spunk. I hadn't quite cum yet so I lay down on the rug, frigging off and beckoning Michelle to come over and sit on my face. I let her cream – and Darren's – collect in my mouth before getting her to move round and give me a kiss.

The entire night was one big fuckfest. Darren may be man enough to satisfy me when it's just us, but there was no way even his cock was going to do it for us both. This meant there was loads of

lezzie fun, and I told Michelle she could use any of my sex toys. Some of them scare me a bit, so seeing this petite woman determined to take my fattest, bumpiest dildo inside to the hilt was something to see. Too bad I didn't have a strap-on – I'd have loved to have fucked her like that, but there's always the next time. There definitely will be next times – she's swung with a few couples and said we were the sexiest, bestlooking and most fun. OK, flattery got her cunt another licking, and another length from Darren, but I do actually think she was being sincere!

I don't think swinging is for everyone – some people get too jealous. But if you're as highly sexed as me, Darren and Michelle, I'd say go for it!

A man at an airport lounge spots an attractive woman at the bar wearing what looked like an airline uniform. To try and strike up a conversation with her, he thought he'd guess which airline she works for by saying their slogan to her...

"To serve, to fly" the man says thinking she might work for British Airways.

"Excuse me?" replied the woman with a confused look on her face.

"Life is a journey, travel it well" says the man hoping she worked for United Airlines.

"I'm sorry?!" said the woman getting more irritated.

"Flying in the face of ordinary!" says the man praying she worked for Virgin Atlantic.

"What the fuck do you want?!" shouts the woman.

The man springs to life and screams "Ah! You work for Ryanair!"

CRY FOR THREE-DOM!!!

I ended up spending a night watching porn with my best mate Will and his missus. They're a kinky pair and he doesn't mind sharing her. She was grabbing her own nipples and stretching them up and out, and jiggling her tits as she rubbed against me as we watched the film. I was still fully clothed, but when I slid a hand under her crotch, I could feel how hot and moist her pussy was – her little G-string was wringing wet with her juices.

It was weird doing this with her boyfriend sitting there, but he loved to see her get manhandled.

I didn't need any help undressing but I still let Tara do the honours. She peeled off my T-shirt, nuzzling my chest with her face, then stripped my bottom half naked too.

I don't know what the gloss was she was wearing on her lips – minty perhaps – but when she rubbed the tip of my cock over her mouth it felt all cool and tingly. Then she opened her mouth and started slapping the underside of my helmet against her tongue. I didn't want to rush her, but I was desperate for her to start sucking my knob, and it was like she read my mind. Her lips closed around my bell-end, and she started sucking me, swirling her tongue around.

By now I had actually forgotten that Will was there, and so had Tara, I think – that's probably why she squealed when he suddenly came up behind her and started feeling up her pussy. He grabbed the back of her G-string, pulling it tight then yanking it back and forth against her slit.

Then he pulled it to one side and fed his cock slowly up her wet hole.

Fair play to her, she didn't miss a beat and Will kept things slow and easy until she'd sucked me all the way. The slurping got louder and more frenetic, then she gave my balls a squeeze and I fired six or seven thick, creamy jets into

visit www.paulraymond.xxx

her mouth.
Next thing, I heard Will groan to Tara to sit on his cock – he lay down on the rug and Tara immediately straddled him, just like she'd done to me while she was teasing me.

This time, though, there was no messing – his prick was straight up her hole, and her tits were bouncing and slapping around as she rode him hard.
I don't know what the hell she did to him with her inner muscles – although she gave me a good idea later on – but I could see exactly when he started cumming and his face told me when every jet of spunk was squirting up inside her.
It was one hell of a night – no matter how hard or how much we fucked Tara, she was always ready to take the next hard cock offered to her.

TRUE CON

MY MATURE SLEAZE!!!

Older ladies are the best – they are often up for more and are a lot less uptight, so they're much more fun to fuck!

Last week. I was out at a club – you know, a standard grab-agranny night – although I've always thought that was a bit rude as the late thirtiesforties women that I prefer are hardly grannies!

I got talking to an earlyforties woman named Jan. She was nicely dressed and had a good figure for her age. I suggested that we go back to mine for some fun.

I was surprised when she refused – but shocked when she explained why! She was married, she told me. That wasn't a problem though, as apparently her husband liked to watch her get fucked by strangers.

Guess what? She wanted me to go back to her place and fuck her – and her husband would be watching!

On the way to her place she pulled over and told me to get my cock out. I did as I was told and she plunged her mouth over my prick.

She explained, in between sucks, that she was going to suck me off here so that I'd last longer when she got me home. She gave good head too – she'd obviously practised to get her technique down pat.

Soon I was cumming, and she swallowed the lot!

When we arrived at her house, I barely had time to exchange nods with her husband before Jan told me to ignore him. "You're here for me, not him!" she said.

She dragged me up to the bedroom and told me to undress. By the time we were both naked my cock was standing to attention again.

She looked at me and said, "Well, I've tasted you – don't you think it's time you tasted me?"

I didn't need a second invitation, I was on her twat in a second, licking and exploring with my tongue.

Soon Jan's legs were shaking and I knew my tongue was doing the trick.

I introduced her cunt to my fingers as well, and stuck three of them into her slick hole. That sent her over the edge, and as I sawed them in and out while licking her clit she came loudly! Next, I shoved my cock

FESSIONS

"SHE LOWERED HER CUNT DOWN ONTO MY COCK, AND BOUNCED DOWN ON IT, HER ARSE CHEEKS SLAPPING AGASINST MY THIGHS."

into her to the hilt in one thrust and began fucking her. I started at a steady pace and let her control how fast and how hard I fucked her.

Soon I was doing her hard and fast – she'd been right to empty my balls on the way here, I was lasting ages!

In fact, we'd been going so long I was tiring a little. Jan seemed to have plenty of energy, and made me lay on my back so she could straddle me.

She lowered her cunt down onto my cock, and bounced up and down on it, her arse cheeks slapping against my thighs.

Now she was on top I could see her husband on the landing through the open door, wanking himself stupid at the sight of his wife bouncing on my dick!

Jan took full advantage of my cock, cumming again before I was ready to cum.

When I was almost there, she pulled me out and wanked me until I shot my second load of the evening over her pussy!

After we'd cleaned up, her husband called me a cab. Jan invited me back and gave me her number. As I was leaving, the last thing I saw was her husband kneeling between her legs ready to lick her spunk covered twat!

The husband thing doesn't bother me so I'll be back!

LISTEN CLOSELY

One evening I found my fiancée lounging on the bed in her undies and drinking a glass of wine.

I could tell her fingers had been wandering between her legs but, when I went to say something, she shushed me.

I soon realised why. The walls are paper-thin and she was "earwigging", as she puts it, on the couple in the room next to ours.

It wasn't just groans and sighs, either – we heard the woman say she was getting down on all fours so the pair of them could "fuck like dogs". I got on the bed, and as we listened, Jaimie wrapped her fingers round my shaft.

Then as we began to hear the slap of naked fucking, she started to wank me to the same rhythm. We sort of wished we could see them, but were also glad we couldn't – we could use the dirtiest parts of our imagination!

Now I was hard and I got Jaimie in the doggie position too. I wet my thumb in her snatch, then slid it in her arsehole before easing my prick up her twat.

"Fuck me deeper," gasped the girl. "I want to feel your balls against my cunt lips."

They had a head start on us, so when we heard groans we knew that he'd cum at least, and then she got him licking out her spunk-filled snatch so we heard her orgasms too.

Then things went quieter, but it didn't matter because we were too wrapped up in what we were doing now. Jaimie squared her arse against my humping crotch and, as I felt her pussy tighten with pleasure, I shot her full of jizz. When I pulled out, she cupped her hand under herself, then rubbed it all over her tits and mound.

As we recovered, just lazing on the bed, we listened out for the next "instalment" of next door's antics. Just when we thought they'd gone to sleep, the girl started begging for another fuck. She told him to lie back and let her do the work, let her get him hard again.

From what came next, it was pretty obvious she had a hard mouthful of dick. We started to think it may have been an older bloke and younger woman, but being in my early twenties, I was hard again pretty soon.

So Jaimie went down on me, sucking away till we heard the girl next door mention going on top.

Almost immediately, Jaimie was sitting on my hard-on too.

We fucked like animals, reaching the tip of excitement and cumming at the same time as our neighbours.

Lee, Yorks.

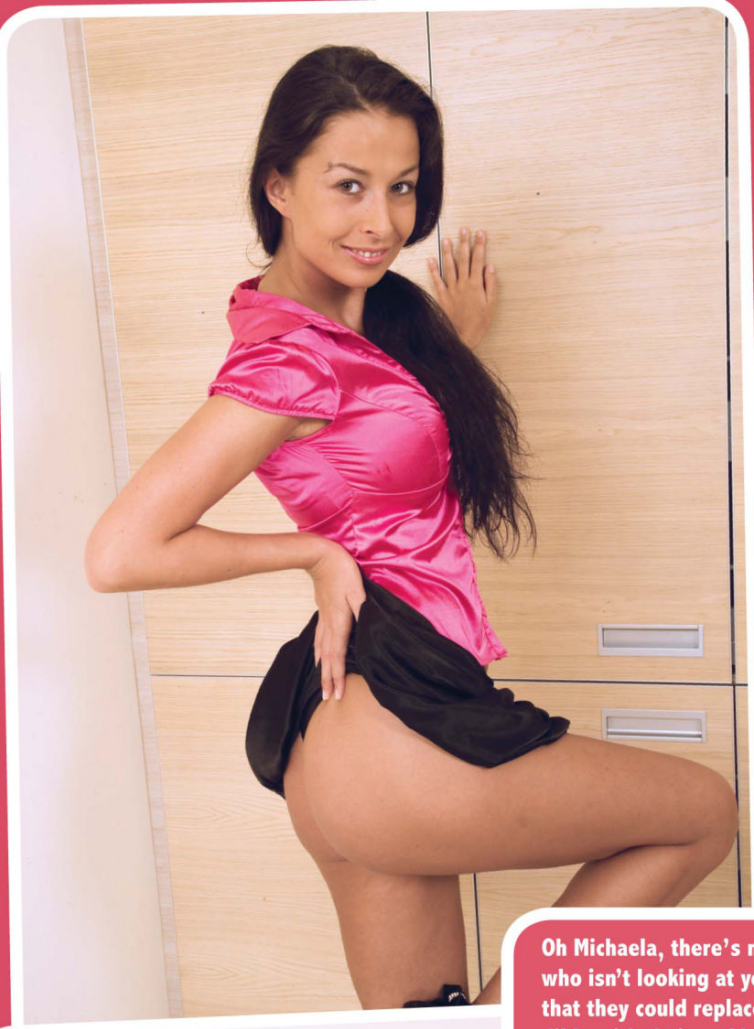
We love the full-on glossy-looking photo shoots in Razzle, but sometimes a bit of flash-on-camera works a treat. "My boyfriend loves taking photos and he took these photos of me in order to send them in to the magazine to be published. In between the photos where my legs are spread or I'm bent over he would put the camera down and stick his dick in between my wet pussy lips. I understand that your readers can't see the photos of his cum covering my tits, which is a shame"



Oh Michaela, there's not one single reader who isn't looking at your photos and wishing that they could replace that great big pink dildo with their cock! "That does sound nice," Michaela told us. "But I must warn any potential suitors that I won't put anything smaller than my favourite pink dildo inside my pussy. But if you were to have a smaller cock I wouldn't be opposed to letting you stick it up my tight arse hole!"
